Captain Bobby Hartzell

I have been sailing the Apostle Islands since I was 12, first exploring these waters on a 16' catamaran. After high school I attended Chapman's School of Seamanship, forever sealing my fate as a captain. In May 2007 I participated in a large yacht delivery of a 78 Cheoy Lee from New Jersey to Detroit. This year I have graduated from Northland College in Ashland and am looking forward to enjoying many charter excursions this summer as I plan my next adventure.
