

Housekeeper

Job Description

The Inn on Madeline Island is a full resort with rental properties. Each property is privately owned and managed by The Inn. The different rental properties are hotel rooms and suites, condominiums, cottages, cabins, and large homes. Each property is unique and requires its own cleaning needs. The head housekeeper will train any assistant.

Housekeepers are responsible for:

- Spring cleaning units
- Thoroughly clean rooms and ensure rooms are cared for to quality standards
- Hotel Laundry
- Follow cleaning worksheet details, needs, instructions, and procedures
- Adhere strictly to rules regarding health and safety and be aware of any company-related practices

Qualifications

- High school diploma or equivalent preferred but not required
- Drivers license preferred but not required
- Ability to work with little supervision
- Work quickly and effectively without compromising quality
- Time-management and prioritization skills

Compensation:

\$15/ per hour.

***This is a full-time position with the possibility of part-time.**

As Inn employees, housekeepers are entitled to the use of the outdoor pool and beach area.
